203.4 Irrigation Service– Rate 4

A. Availability

Irrigation Service is available to Members of the Cooperative for electric service to irrigation pumps or systems used for crop irrigation in accordance with the Cooperative's Service Rules and Regulations, and under the following conditions:

- (1) Service to motors with a rated capacity in excess of ten (10) horsepower shall be three-phase.
- (2) Wiring, poles, conductor, and other electric equipment beyond the Cooperative's meter shall be considered the distribution system of the Member, and shall be furnished, operated, and maintained by the Member.
- (3) Service shall be provided by the Cooperative only if the applicant executes the Membership and Electric Service Agreement for a period of not less than twelve (12) months prior to each extension of service to a new location or reconnection of service at an existing location.

B. Type of Service

The electric service furnished hereunder shall be either single-phase or three-phase service, where available, at the Cooperative's standard secondary voltages.

C. Monthly Rate

Each billing period the Member shall be obligated to pay the following charges:

- (1) Basic Charge: \$16.50 per Meter

and

- (2) Horsepower Charge (Annual): \$12.00 per Installed HP

This is an annual charge per installed horsepower per year paid in monthly installments;

and

- (3) Energy Charge:

This charge for the delivery of energy shall be applied to energy usage during a billing period as follows:

First 150 kWh per HP	@	\$0.121246 per kWh
Next 150 kWh per HP	@	\$0.092646 per kWh
Over 300 kWh per HP	@	\$0.064046 per kWh

D. Minimum Charge

Each Member shall be obligated to pay the following minimum charges each billing period, whether or not any energy is actually used:

- (1) The Annual Horsepower Charge per service year of connected load plus the Basic Charge per billing period; plus
- (2) Any applicable billing adjustments; plus
- (3) Any applicable service fees.

E. Determination of Horsepower

The horsepower for billing purposes shall be the manufacturer's nameplate rating, except that the Cooperative, at its sole discretion, may determine the horsepower by test under conditions of maximum operating load.

F. Billing Adjustments

This rate is subject to all billing adjustments as specified in Section 204.
