SECTION 2: RATE, SCHEDULES FEES & CHARGES	General Revision: Effective November 1, 2021	

203.3 Small General Service – Rate 3

A. Availability

Small General Service is applicable for electric service to Members not eligible for service under any of the Cooperative’s other rate schedules, including restaurants, commercial facilities, churches, schools, governmental buildings, temporary services, subdivision and municipal street lighting and associated control systems which utilize nonstandard poles and fixtures, in accordance with the Cooperative’s service rules and regulations, where the metered kW demand is less than 50 kW, except for uses specifically served under other rate schedules provided by the Cooperative. This Small General Service Rate 3 is also applicable for service to farming and ranching activities including fence chargers, gate openers, stock tanks, barns, hunting camps, recreation facilities, recreational vehicles, travel trailers, residential property rented or leased on a temporary basis, vacation properties or second homes which do not have permanent residents throughout the year, and other similar uses.

This Small General Service Rate 3 is not available to permanent residential dwellings or Members involved in irrigation or oil and/or gas related activities.

B. Type of Service

The electric service furnished hereunder shall be either single phase or three phase service where available, at the Cooperative’s standard secondary voltages.

C. Monthly Rate

The monthly rate shall be as specified below:

1. Base Charge: \$18.00 per meter

This charge is for the availability of electric service;

and

2. Energy Charge \$0.111008 per kWh

This charge for the delivery of energy shall be applied to all kWh usage during a billing period.

D. Minimum Charge

Each Member shall be obligated to pay the following minimum charges each billing period:

KARNES ELECTRIC COOPERATIVE, INC.
